## ***Pegalis & Erickson Named to U.S. News 2015 Best Law Firms List***

Lake Success, NY, November 3, 2014... For the fifth year in a row, U.S. News & World Report and Best Lawyers have named the medical malpractice law firm Pegalis and Erickson, to their 2015 “Best Law Firms” rankings. “We are proud to be named among only 4% of all US law firms,” said Stephen E. Erickson, senior partner. “Our diligence and dedication to injured patients has allowed us to succeed for forty years.”

Firms included in the 2015 “Best Law Firms” list are recognized for professional excellence with persistently impressive ratings from clients and peers. Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise. To be eligible for a ranking, a firm must have a lawyer listed in The Best Lawyers in America, which recognizes the top 4 percent of practicing attorneys in the US. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas for their abilities, their professionalism and their integrity.
