TRIAL VERDICT OBTAINED FOR HEART PATIENT IN NASSAU COUNTY

Lake Success, NY, October 31, 2018 ...Plaintiffs' attorneys Pegalis and Erickson, LLC won a \$815,000 verdict for our sixty-four year old client in Nassau County Supreme Court this week.

Our client sustained a heart attack because his doctor improperly placed a heart stent. "Today, avoidable medical errors are the third leading cause of death in the U.S. and those errors also inflict untold misery for their victims. All health care consumers should remain proactive of their care, and also be aware that they and their loved ones have recourse," said trial attorney for the case, [Robert V. Fallarino, Esq.](#) "It is humbling each and every time we can obtain justice for an injured patient," he said.

The case index is 601010/14. The trial was heard in the Supreme Court of the State of New York, County of Nassau. The case was Prechtl verses Ralph Caselnova, MD, and the Amityville Heart Group.
